STATEMENT OF POLICY

Greater Saskatoon Catholic Schools supports the implementation of uniform dress policies in schools within the division in accordance with the following Board Guidelines.

RATIONALE

Catholic Schools are 'Places of Welcome' where God can be encountered. We strive to create conditions where everyone feels valued, safe, and has a sense of belonging.

From the first moment a student sets foot in a Catholic school, he or she ought to have the impression of entering a new environment, one illumined by the light of faith, and having its own unique characteristics. (The Religious Dimension of Catholic Education - 25)

It is central to the mission of Catholic education that students of Greater Saskatoon Catholic Schools emulate the essential elements of a Catholic Christian identity. These principles must be respected in our choice of dress. Student uniforms are one way of clearly demonstrating the distinctiveness of Catholic Education.

Within the context of our secular world we are called to follow the standards of our Faith.

Teaching modesty to children and adolescents means awakening in them respect for the human person (Catechism of the Catholic Church, 2524).
