

## ***FIVE-YEAR CAPITAL PROGRAM***

Each year the board of education reviews its proposed five-year building program for submission to the Facilities Branch of the Ministry of Education. Previous to the changes to the priority procedures and guidelines of the Ministry, the Board has always been project specific in terms of its proposals concerning building needs. It now reports an overall or global program amounting to \$114,540,000 within a five-year capital budget.

<i>Location</i>	<i>Project</i>	<i>Estimated Cost</i>	<i>Submitted</i>
