In support of

What is Cystic Fibrosis?

Cystic Fibrosis is the most common inherited fatal disease in Canada. A progressive, multi-organ disease, it affects primarily the lungs and digestive system. Thick mucous forms in the organs making it difficult to breathe, causing repeated lung infections, and causing difficulty absorbing nutrients for normal growth and wellness. Fifty years ago people with CF were not expected to live to go to kindergarten. Today half of people with CF are expected to live into their forties and beyond. However, half will not. While we celebrate the huge accomplishment of the work of Cystic Fibrosis Canada, we cannot stop here.

Your donation goes to Cystic Fibrosis Canada which is a leader in cutting-edge research for better care for patients and ultimately finding a cure for CF. Please give generously to join the fight so that one day soon CF will stand for Cure Found.

How to Register:

Each player must register as part of a team. Note that registration fee is for the entire team. Teams consist of 3 or 4 players. Enter your team in the division which suits the age level of players as of December 31, 2011. If one player is in an older division, the entire team will be placed in the older division. If a team is co-ed, the team will be placed in the boys'/men's division. To receive T-shirts, teams must be registered by August 31st, 2011. Registration deadline is September 9, 2011.

Each team requires a team captain. This may include a player or, in the case of a youth team, an adult who will be responsible for relaying all tournament information to the team. Information including rules and schedules will be available at www.hoopsforhope.ca.

This year participants have the option to raise pledges to make a bigger difference in the fight against cystic fibrosis. Register now so that you can start collecting pledges and be entered into amazing draws for great prizes. Find out more on the tournament website!

Once a team is registered the registration fee cannot be returned. Send the registration form and your cheque to the address listed on the form.

**Register Online Now at
