**BJM community to unveil memorial plaque
during Remembrance Day service**

The Bishop James Mahoney High School community is holding a Peace and Remembrance Celebration on Thursday at their school.

This year's celebration will be especially poignant given that a BJM graduate, Cpl. Shane Keating (1994), was killed in Afghanistan on Sept. 18, 2006. For this reason, the school community will unveil a memorial plaque to honour all BJM Saints who are killed while serving their country.

Cpl. Keating's mother, Ms. Judy Budd, will attend, as will members of the graduating class and representatives of the military.

Media are welcome to attend this event. Details are as follows:
